**STEPS TO “ESP”**

In completing this form, each level must be satisfied with the proper dollar amount submitted before moving on to the next level. You must meet the chapter requirements for the Silver level before you can move to the Gold and Platinum levels. Even if you are contributing \$1,000-- if the first two levels are not satisfied, your chapter is not Platinum. Dollars over the minimum at any one level may not be enough to lift you up to the next level. If this is the case, place your total at the lowest level even though it may be more than needed to satisfy that level .

- 1. **Silver** = **Chapter Contribution** (contribution based on chapter size—see charts shown above) \$ \_\_\_\_\_
  - 2. **Gold** = **Chapter submittal of an additional \$500--\$999** \$ \_\_\_\_\_
  - 3. **Platinum** = **Submit an additional unrestricted contribution** (\$1,000 graduate chapters and \$500 undergraduate chapters) \$ \_\_\_\_\_  
**In addition to meeting the Silver and Gold level requirements.**
  - 4. **Individual Donations** = (see attached, Individual Chapter Donation Form) \$ \_\_\_\_\_
  - 5. **Workplace Giving (CFC)** = Dollars will not be recognized until the following year. \$ \_\_\_\_\_
